

Anitra Sharisse Washington

May 28, 1984 - October 3, 2021

Anitra Sharisse Washington, 37, was born on May 28, 1984. Anitra gained her wings and went to be home with The Lord on October 3, 2021, after a courageous life lived. She transitioned from time to eternity. Family and friends sadly lost an exceptional and irreplaceable daughter, mother, family member, and friend in Anitra Washington.

Anitra was born in Fort Bragg, North Carolina, raised in Harford County, Maryland, and was a resident of Baltimore County Maryland. Anitra had a heart of gold and was gem within. She never missed an opportunity to encourage, mentor and coach a willing soul. Anitra was a graduate of Towson University and dedicated her services and excelled in Management within AMAZON Human Resources. In her leisure, Anitra was fond of traveling the world.

Anitra leaves to cherish her memory: her only child, Nikylah Larese Jones; parents, Barbara V. (North Carolina) and Marvin E. Washington (Pennsylvania); and Co-Parent, Van C. Franklin (North Carolina); two brothers, L. Donte Halsey and Raheem T. Washington (both of Maryland), and sister Constance Nash (North Carolina); her heart and Rock, Rodney L. Jones and his parents Michael and Tonia Kelly (Maryland); her heart supportive partner, Kendric Brooks (Georgia); her right hand at work and play, Kadianne McPherson, Marquita Holmes-Pair, Tanisha Adams- Esemuede; and a host of

other relatives and friends who loved her and significantly impacted her life.

Until we meet again, Anitra's freckled face, joy, diva-style, personality, and love will always and forever be cherished and remembered.

“ *Just thinking of you friend. I wish we would've been able to hang out more in our adult years but you will always hold a special place in my heart and childhood memories. We had so much fun and so many funny moments. I hope you are resting well. Praying for Nikki and all of your family and friends who I'm sure are missing you every day. Thank you for being you. I love you. Tanisha*

“ *Anitra was one of a kind. A ride or die friend. We were in classes together from 5th grade all the way through high school. Senior year was uniquely fun because she was homecoming queen and I was prom queen and that was a best friend duo that was unmatched. Interestingly enough we were each other’s prom date. Anitra had a bright light that always shine no matter where she was. I have watched from a far Anitra live freely and fully. What a beautiful soul that I will truly miss. Rest well my friend.*
Condolences and prayers to the family, friends, and countless others who were touched by her life. ”
