“ I met Ms. Ann when i transferred to Giant #353 in 2009. She was always very kind and sweet to me. I had the simplest name but she couldnt get it right. So instead she would call me baby girl and i was ok with that. I worked with a few other members of the Saulsbury family, but i worked with her the longest. Her kind and loving spirit will definitely be missed. I will continue to pray for her family and close friends during this difficult time..
