“ *Hello ! Glover's ! I would like to send my condolences to you all. Ms. Anna lived a long life as the bible say at Ps.90:10, some person would live to be 70 years old and others 80 years old because of speical mightiness. The tme is coming when we all will be able to live forever. Imagine the happiness when dead loved ones are resurrected. Great JOY for all of us living. May all the memoriесе of Ms. Anna stay very close to your hearts. My fellow feeling, Lillian Crosby.##imported-begin##Lillian Crosby##imported-end##*

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ *Death is an unwelcome situation in all our lives today. Yet we seem not to be able to escape the effects of death at one time or the other. Death is often thrust upon us due to natural causes, illness or some unforeseen occurrence, not to mention the after effects of some thoughtless and often in today’s world the cruel course of action of some uncaring person. Whatever the case is death was never a part of Jehovah God’s plan for mankind. Jehovah God’s word the bible help many to revitalize their hope in a much happier and peaceful future for our love ones who have lost their lives in death. Yes thanks to Jehovah God the resurrection is our hope for the near future. According to John 5:28, 29 the memorial tombs will open and those sleeping in death will awaken. While we may be separated from our love ones now, it is a temporary condition. Rev 21: 3, 4 states death will be no more... and that is a promise. Jehovah promised everlasting life from the beginning of mankind’s creation stated at Titus 1: 2 and according to Isaiah 55: 11 it is said of Jehovah the words that goes forth from his mouth will prove to be. It will not return without results... Hopefully these words can prove to be of comfort because our hope can only become a reality by means of Jehovah God and his son Christ Jesus. Remember, Hebrews 6:18 states it is IMPOSSIBLE for God to lie. May the comfort of God be with you.##imported-begin##B Carter##imported-end##*
