

Mrs. Anna Louise Parker

May 31, 1931 - March 19, 2026

Mrs. Anna Louise Evans Parker, age 94, peacefully transitioned on March 19, 2026, in Baltimore, MD, where she was a lifelong resident.

Born on May 31, 1931, in Plainfield, New Jersey (Muhlenberg Hospital) she was the beloved daughter of Paul and Ruth (Monroe) Evans, Sr. From an early age, she demonstrated a strong sense of purpose, compassion, and dedication to others — qualities that would define her life's journey.

She received her education in the school systems in Plainfield, New Jersey, graduating from Plainfield High School. Anna, also affectionately known as Ann, went on to study nursing at Harlem Hospital. She is also a graduate of the University of Maryland, Baltimore. Anna established a distinguished career in the healthcare field and was a trailblazer as the first woman of color to serve as the head nurse in the ER unit at Muhlenberg Hospital, the same hospital where she was born. Additionally, she held a very proud and long-serving career as a public health administrator with the City of Baltimore. Anna also provided her skills and expertise as a nurse with Johns Hopkins Hospital in Baltimore.

Nursing had always been her lifelong love and passion, and a calling she was extremely proud of. Her sister Jeanie recalled that Anna would always share that she was a nurse, with just about everyone she would meet! Even in her

pastime, Anna would spend numerous hours researching and remaining abreast of medical advancements and was keenly knowledgeable of current studies published within industry standards, such as the New England Society of Medicine.

Through her profession, which was much more of a calling, she touched countless lives, offering care, comfort, and professionalism with grace and integrity. In addition to her professional accomplishments, she was deeply engaged in her community. She was a member of Alpha Kappa Alpha Sorority, Inc., where her most recent affiliation was with the Epsilon Omega Chapter in Baltimore. Anna was also a longtime member of the Baltimore Chapter of the Continental Societies, Inc., where she was initiated in 1978.

A plethora of public service and social organizations filled her calendar, and she was never one to miss an occasion of distinction, where she contributed her time, leadership, and unwavering commitment. Her involvement reflected not only her passion for helping others, but also her belief in the importance of community and connection.

Friends and loved ones can attest to the fact that nothing was going to keep her from remaining on the go! Anna was determined to maintain her independence and continued driving herself to events, even leading up to her recent health challenges.

Anna was united in marriage to Warren Parker, who preceded her in death. Their longtime union was one of love, partnership, and shared values. Together, they were known for their lifelong goodwill and philanthropy throughout the Baltimore community.

Those who knew her will remember her for her elegance, generosity, wisdom, beauty, and impeccable taste for fashion. She carried herself with dignity and

lived a very full life marked by resilience, faith, and quiet strength. Her legacy is one of service.

In addition to her husband, she was preceded in death by her parents (Paul Evans Sr. and Ruth Monroe Evans), her siblings Ruth “Sissy” Evans Granger (Plainfield, N.J), William “Billy” Evans, Sr. (Ellicott City, MD), and Paul “Spyder” Evans Jr., (Las Vegas, NV).

She leaves to cherish her memory of her beloved sister, Jean P. Evans, New York, NY and a host of devoted nieces, nephews, extended family members, and dear friends.

Her life was a testament to the power of grace, perseverance, and selfless service. She will be deeply missed and forever remembered.

I met Mrs Parker in 1987 when she walked into my salon located on belair rd, inquiring about an hair appt to get her hair done. I started doing her hair from 1987 to 2006 until I sold my salon and moved to Atlanta. Ann wa a very loyal, dedicated customer and friend whom i became very fond of along with her husband Mr Parker..I admired Mrs Parker for her class and grace who was always dressed to the nines.I admired her love and dedication to her community and family..she was always out shopping after getting her hair done,and getting home by 3:00 everyday to make sure she had mr Warren's dinner ready! She was such a loving,caring, compassionate wife who love her husband dearly! Every once in awhile I would think of her and give a call,but she was always on the other line talking to her friends..lol..she is reunited with her husband now, and I'm sure they are having one big celebration! Rest well qween! Love you always! Charletta ❤️🙏

“ Aunt Ann, as we called her, was always someone who exhibited a lady's grace and elegance. She would call for various little things and was always positive and encouraging. Lately, the call was about Cape May, which holds a fond memory for all of us. She was always on the go. I think she just loved to drive her car as she would sometimes just drive it around the Park to see how the neighborhood was doing. She'd always stop me to "catch up" when she saw me. Now, since she has "moved on up a little higher," I'll miss her voice, but remember her presence. May you rest in paradise with Uncle Warren. I'm sure Dad will stop by your mansion up there, too! Just like "the good ol' days."

Condolences are sent to the family and friends of Anna Parker from the family of Dorothy and Liston George.

The grace, strong spirit, wisdom, and love exhibited by Anna Parker will remain in our hearts and memories. The relationship between she, Mr. Parker and our parents during earlier years & the friendship she and our father maintained following the loss of their respective spouses, supported many enjoyable times in the latter years of both their lives. May Anna now rest in peace, knowing how much she was loved, admired and appreciated for her elegance, kindness and support to others. Be at peace Soror Anna Parker 🌹”

“ Our thoughts and prayers extend to all of you who are faced with the displeasure of losing a loved one to our worst enemy called Death, in these critical situations it's normal to feel helpless not knowing where to turn. However, our heavenly creator has assured us in HEB: 6/11 that it is impossible for him to ever forget us, He also stated in John:5/28/29 that all those who have fallen asleep will here is voice and come out, So GOD is given us all his promise of hope of us being together once again. Meanwhile we can give our thanks to the funeral directors: for their perfectional assistance and their heartfelt concern toward the unfortunate friends and families; THANKS.
