

Anne Renee Porter

June 9, 1966 - October 14, 2022

ANNE RENEE PORTER, born to William Porter and Delores Scott-Porter, took her first breath on June 9, 1966. Renee was a force to be reckoned with from day one. On October 14, 2022, she passed away peacefully from complications of a long illness, surrounded by her family and loved ones.

Renee, as she was affectionately known by many, was educated in Baltimore Public Schools. She began her career in health care at a young age because she had a strong desire to care for others, sometimes more than she cared for herself. Renee worked for the VA Hospital for several years before leaving to pursue her entrepreneurial dreams. Prior to her illness, she was the managing director of four Assisting Living facilities.

Renee was a people person who, despite never marrying, lived a full and vibrant life with more friends than she could count. Her family, particularly her nieces and nephews, meant more to her than words can express. Renee was the life of the party and everyone adored her (when she would arrive). Renee's true friends knew she would always be the last to arrive at an event. She was always glamorously late. Renee was known as a fashionista who preferred Shingar and eye-catching costume jewelry.

Renee was preceded in death by her parents, William and Delores, her sister Deborah and her brothers Andre and Frank. She is survived by:

her siblings, Garland, Denise, Dwayne Sr., Tina and Claudette; her nephews, Dwayne Jr., Tyrone and Terrance; nieces, Shanay, Shakita, Taryn and LaToya; a host of great-nieces, -nephews, special friends and relatives.
