octavia parker - April 11, 2014 at 12:06 PM

“ *Dear family, I am so very sorry that you lost your preicous loved one in death. I can imagine the pain you are feeling. You have my condolences. Death is truly our enemy, and we all long for an end to sickness and death. Very soon, God promises to do away with sorrow and death forever. He promises at REV 21, 3-5 to wipe out every tear from our eyes, and death will be no more. One day our dead ones will live again in a pradise of pleasure that God is creating. @nd Peter 3,13 says, But there are new heavens and a new earth in which we are awiting, and in these righteousness is to dwell. Daniel 12,2 also lets us know that there will be many of those asleep in the ground who will wake up May those bible promises bring comfort to your family, as you cherish the memory of your loved one.##imported-begin##R Johnson##imported-end##*

“ My sincere condolences to the family and friends of Annetta Parker. It seems so unfair that death should have the power to take away someone we love. The Bible is comforting in this regards. At Acts 24:15, Almighty God promise a "resurrection" into a beautiful "paradise", Luke 23:43. However one may ask, How do we know that the resurrection will really happen? Well, the Bible's resurrection accounts give us a sure hope.---John 11:39-44. May you all find a measure of comfort from the scriptures.###imported-begin##V Adams##imported-end##

“ I would like to express condolences to you all. Time move on ,it will soon be a year since Annetta circle of life was broken. Living in these last days are hard since there is so many things coming our way as the bible say at Matt.24:3-12. We can look forward to better times in the future when God's will is done on earth as it is in the heaven, Mat.6:9-10. Peace and happiness will be every where. Imaginess the happiness to be our when the dead are resurrected. I am looking forward to that coming in the near future. I hope these expression will be uplifting in your journey of life.##imported-begin##Lillian Crosby##imported-end##
