“ *I searched for so long just trying to find you and even in your death you are so hard to track. I love you and have loved you for so many years. I didnt know you that well grandma but I remember your face, your voice, the dolls that lined your room. I remember the birds and plants and collectibles in your house. Most of all I remember feeling LOVED. I loved you so much and I am so hurt that you are gone. FOr the last two years I TIRED so hard to find you and now you are gone forever. I wanted you to meet my daughter Kennedy, I wanted you to know I am ok and that even after all these years i NEVER forgot you. You will be missed. My heart is truly broken. I love you.*
