*Dear Family,*

*My heart and my thoughts are with you. There is a beautiful sense of closeness and comfort in a friendship of the heart.*

*I have known Annie Bess for sixty years, and she always met you with a warm and cordial smile. She was born September 16th, and I on October 10th (weeks apart).*

*For many years we lived in the same community, East Chester, we were members of the same church (Calvary Baptist Church), and attended and graduated from the same school (Finley High School). We played on the basketball team, and we both loved to dance. It kept us in shape (smile).*

*Annie Bess has left her footprints in the sand of life, and I shall never forget her.*

*To the family I say, if I can help just by listening or being there, please let me know. You're very special to me, and I care about you very much.*

*In God's Love and Comfort,
