“ *There is a miracle in friendship and I don't know where it starts. But I do know that God planted goodness and friendship deep down in Annie Mae's heart. You will truly be missed for we have been friends for over 25 years and I could never find a friend as true and pure as you. May God forever bless and be with you until we meet again my dear friend. Yours in Christ: Barbara McAllister & Family*

“ *I will always love you. I know you and my grandmother are together right now, as you treated each other as sisters. There is no more pain, no hurt, and no sorrow for you anymore. There is sorrow for me and the family as we grieve for you. There will always be an everlasting memory of you in my heart as you were always that when you were here on earth. I will always remember you for your warm smile, your affectionate love for your family, and your sweet presence. May God continue to aid me through this tough time. I love you Annie Mae Faust.*
