“ Please accept my heartfelt condolences. It has been several months since your loved one passed away, yet we never forget them, time only helps to ease the pain, but it never takes the grief completely away. Jehovah God didnot desire for us to go through such suffering, He is the source of all life, and he hates death. That is why his word the bible promises that one day soon he will swallow up death forever, and certainly wipe the tears from all faces. Isaiah 25,8. One day Annie will live again, because the bible lets us know that those sleeping in death will wake up when they hear the voice of Jesus calling them back from the dead. May you find comfort in the hope of the ressurection, and may Annie"s memory live on in your hearts.##imported-begin##R Johnson##imported-end##
