“ *Although you are gone, you will never be forgotten. I am going to miss that beautiful smile and our talks after Sunday morning service, not to mention our photo shoot. You were always genuine and I will forever cherish your words of wisdom. Rest well my beloved Cousin and when God says so, I will see you on the other side.*

“ I never really knew your name i always referred to you as Veronica's mom. In the short time i knew u we became really close friends. I remember on Christmas day at my Daughter house we had such a good time eating and laughing together. You are going to be truly missed, but you earned your wings. So rest on in peace no more suffering or pain see u when i get there. Dorothy Davis(Eltenease Mom

“ Ms. Annie you will be missed. Heaven has inherited an Angel!!!! You truly were someone who spoke their mind, but you did it with lots of LOVE. We had such great conversations and you would keep me laughing. Our last time being together was on Christmas at my home. We had plenty of laughs and ate some good food. You have left a legacy of how to be a elegant and sophisticated lady. Veronica has become apart of family and we will take good care of her. Praying for the entire family at this time... We recognize that "Earth has no sorrow that heaven can not heal" and will continue to trust in God, for "God does all things well".

Rest In Heaven!!! -

Mrs. Annie was the sweetest person, very kind and always supported my husband and I in the ministry. We will miss her, but we know that Jesus has her now. She is not sick anymore she is with her heavenly Father and she is walking around heaven and worshipping God forevermore.
