“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ We little knew that morning God was going to call your name. In life we loved you dearly, in death we do the same. It broke our heart to lose you, you did not go alone, for part of us went with you, the day God called you home. You left us beautiful memories, your love is still our guide and though we cannot see you, you are always by our side. Our family chain is broken and nothing seems the same, but as God calls us one by one the chain will link again. Love Mom & Dad###imported-begin###Mom & Dad###imported-end###

“ Anthony, I miss you. I was unable to come to your funeral so I wanted to let you know how I feel. I remember you use to come to pop-pop house (uncle Richard) to go to work and once I seen your face I just had to smile you use to brighten up my day and for that I will never forget you. I remember one time you asked me to babysit Quianna while you went to work. I never had a problem doing things for you. Anthony I really love and miss you and I hope you always watch over me and I wish the best to your mom and kids. Everyday I wake up in greif but my pain doesnt come close the pain they are feeling. Anthony you will always hold a place in my heart. I love you. I miss you and I hope you R.I.P. ##imported-begin## Briana A. Harvey ##imported-end##

“ To Family and Friends: I send my condolences to all who are mourning. But, there is a hope for us in the Bible. John 5:28,29 tells us that in the future, "all those in the memorial tombs will hear his voice and come out". So we have the chance to see our dead loved ones again alive on earth. May you be comforted by that scripture and other hopes laid out in the Bible and also by God, Jehovah. ##imported-begin## Kendra A. ##imported-end##
