Celebrating the Life of Anthony J. Canty

Anthony J. Canty was born on August 22, 1966 in Richmond, Virginia, and he was the only child of Paul and Alice Canty.

He attended Henrico County Schools, and even began working while still in high school at Richfood where he worked for several years, before his employment with Forward Air Solutions. Anthony was a man with many gifts and talents; he was a trained electrician, truck driver and a hardworking and committed employee wherever he worked. He was also an entrepreneur and skilled manager. He loved anything that moved, whether a plane, train, boat or cars. Cars and trucks were his favorites. He first learned to drive as a young child when his grandfather would let him drive the tractor on the family farm in Buckingham County. He was a loving and devoted son to both of his parents, until their deaths.

Anthony was strong, yet sensitive; full of humor and he loved people. There were not many places he could go in Richmond without bumping into someone he knew, because he was the kind of person everyone liked and eventually loved.

Anthony accepted Jesus Christ as his Savior and joined St. Paul's Baptist

Church, Henrico, VA. On Friday, August 24, 2012, Anthony entered into peaceful rest from his earthly labor. He is survived by his loving wife, Karen Paulding Canty of Henrico, son, Antoine J. Canty- Richmond, daughter, Angelica Canty- Richmond, uncle, Arthur Jiles (Shelley) of Richmond, and brother-in-law, Craig Paulding (Delores) of Chesapeake, VA, and a host of cousins and lifelong friends.

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
