“ *To the Rodriguez Family, I was so sorry to read about the death of your loved one. Death is so hard especially if it is someone that has been a part of our life for so many years. It certainly leaves such a void. This happens because God did not put in our heart to die. When he created the first man and woman, his purpose was for them to live forever, but when they sinned, it changed everything for them and everyone born after them.*

*God loved us so much until he immediately put in place provisions by which we can live forever. He sent his best here to the world to give his life as a ransom so that we can have the opportunity to make the choice to serve God or not as Adam and Eve did.*

*So family be strong knowing that Anthony is just taking a little rest from the anxieties of this world.*
