

## Antoine Derron Mason Sr.

February 21, 1981 - July 4, 2013

ANTOINE DERRON MASON SR. was born on February 21, 1981 in Baltimore, Maryland to Howard and Joyce Mason. He was called home on July 4, 2013

Antoine received his early education in the Baltimore City Public School System. On April 30, 2010 he received his high school diploma from Baltimore City Community College. That was one of his greatest accomplishments. He accepted Christ as his Lord and Savior at an early age and joined Gillis Memorial Christian Community Church, under the Pastoralship of Rev. Theodore C. Jackson Jr., Senior Pastor. In 2004, Antoine joined Huber Memorial Church, under the Leadership of Pastor P. M. Smith.

Antoine always said he was a “Go Getta”. He had plenty of swag and he loved to stay fresh. He was passionate about living his life to the fullest, and it included his desire to become an entrepreneur. He started a clothing line with his business partner named “Wilson & Mason Company”. He hosted events and he wanted to pursue opening his own restaurant.

He was currently employed by the United States Postal Service as a letter carrier, which was another one of his greatest accomplishments. He

had many other jobs where he touched the lives of other people.

“Toine” was a lover of sports and he thought he was an ESPN analyst. He would make people laugh with his jokingly funny ways and you just never knew what he was going to say next. He loved to cook for his family. He stayed in the gym trying to show people up! He was an excellent provider and a loving and dedicated father to his children.

Antoine leaves to cherish his memory: his wife, Kim Mason; his children, Antoine Jr., Mekhi Mason and Darionna Mason (Poodie); his parents, Howard and Joyce Mason; brother, Bryant Mason; grandparents, James and Marva McCullough, Howard L. Mason, Margaret Jennings, Melvin Townes (who preceded him in death); his childhood best friend, Eric Montague; his goddaughter, Ka’niya Wright; and a host of uncles, aunts, cousins and friends.

“ *I remember when I had you ,not knowing what I was doing. But as  
time went on it got so much easier to know what to do and that was  
to love you. A mother's love is unconditional and even though you're  
not physical here with me the love never stops.*

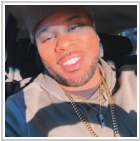

*Love you mother*

“ I remember you whispering in my ear telling me how to get a white boy number and if I didn't you was going to embarrass me. When I finally got the number you still embarrassed me telling the whole Mo's how proud you were of me. RIP you will always be one of my favorite people.
