“ Words can not express what I am going through. Grief finally hit like a freight train. Why it's coming up now only GOD knows, but I loved & adored you. It was worth every moment I got to spend with you. I didn't enjoy seeing you incarcerated but it was worth writing you everyday when you we're. Your impact on my life was mind blowing. I will forever cherish you till we meet again. 🌸☀️💖

“ My condolences and prayers to the McCray family during your time of sorrow....

And he will wipe out every tear from their eyes and death will be no more. Neither will mourning nor outcry nor pain be anymore . The former things have passed away . Rev 21:4 ... Life without End at Last

For the living are conscious that they will die but as for the dead they are conscious of nothing at all ...Ecclesiastes 9:5

However there is hope for the resurrection ...John 5:28-29

“ Antoine you will be truly missed!The Melvin's family really do send our condolences! My favorite saying of yours is "Blessed and Grateful",that you surely were and you would most defiantly let everyone know that you were blessed and grateful. You had a smile that would light up the room. you would always have a saying for everything. Your son Dre is the same way. you always were one who set goals for yourself and you always manage to accomplished that goal to the fullest. That is what I admired about you. I can go on and on about how you were as a person. I have a mini me of you with me everyday and he reminds me of you so much. Dre is going to really miss you but he knows that he will see you again! Can you please tell your mom, Terry and Sean I said hi!

“ *In time, the heart will heal leaving you with memories of the love you have known. With prayer you can have the blessings of comfort during these difficult times.*

(Psalm 55:22) Throw your burden upon Jehovah himself, And he himself will sustain you. Never will he allow the righteous one to totter.
