

April S. Hockaday

February 22, 1984 - July 12, 2002

Miss April Sharron Hockaday, beloved daughter of Darryl Hockaday, Sr., and Vonda Macklin, was born on February 22, 1984 at City Hospital (currently Johns Hopkins Bayview) in Baltimore, Maryland and entered into eternal Friday, July 12, 2002 after a fatal car accident. April was known to her mother as “Mooshie”. God chose her to be one of His angels. Mommy loves you very, very much. She was also known as “April Girl” April, I will always miss you and keep you in my heart. Love, Courtney, Corey and Lakia. April, I know you are still here with us (between you and I)). Love, Cousin Lisa April Attended Thurgood Marshall Middle School and later graduated from Mergenthaler Vocational Technical High School on June 10, 2002, where she majored in Business. April used to love being with her family and friends, and she had a love for music and enjoyed doing hair. April was a very friendly and outgoing person, had a big and beautiful smile, and she made numerous friends wherever she went. She will be sincerely missed by everyone who knew her. April leaves to mourn: her father, Darryl Hockaday, Sr.; her mother, Vonda Macklin; sisters, Janet, Keshia of Baltimore and Lakia of Virginia; one brother, Darryl Hockaday, Jr. Virginia; grandparents, Maggie Lee Alston Macklin of Virginia (Major Macklin-deceased) and Nancy Hockaday of Baltimore (Peter Hackaday Sr.- deceased); loving, caring and devoted uncle and aunt, Osborne and Shirley Tinsley; uncles, Gregory, Craig and and Major Thornal Macklin of Virginia, Peter and Eric Hockaday of Baltimore; aunts, Shelia and Sandra Macklin of Virginia, Yvonne Rucks and Karen Hockaday (deceased) of

Baltimore; devoted and caring best friend Karene (Denia) Hockaday; devoted cousin, Lil Eric; best friend, Tyesha Teal; adopted and loving sister, Trina Alston; a host of great-aunts, great-uncles, cousins and friends. She's gone to join cousins, Desmon and Shanika, who also left us suddenly. You went without a word, not a chance to say good-bye, Our hearts were broken; we were so surprised; But when we saw you sleeping, so peaceful, worry free, How could we wish you back with us to this world's pains? It broke our hearts to lose you, but you did not go alone, For a part of us went with you the day God called you home. The Family

“ *Although you might find little solace in the why behind your sorrow. The one you love is gone from here, and this changes not tomorrow. If loss comes, too, with tragedy, its harder even still, to believe such pain was preference, much less anybody's will. God Bless You###imported-begin##The March Family and Staff###imported-end##*

“ *To the Family of April - I have never had the pleasure of meeting April personally, however, I feel as though I know her through her friendship with Jamaal's family and Kris. Many times all of their names came up in conversation in association with Jamaal. I would like to express my deepest sympathy in your loss, as I am a mother too, and I can only imagine the huge void in your heart. May GOD bless you and keep you both in mind and heart during this time. Monet Armstead###imported-begin##Monet Armstead###imported-end##*

“ To the family of April, I want to send my deepest sympathy to all of you. I just want to say it was a pleasure knowing april as one of my high school classmates. April was in my Trade class and many other classes also. April was a very nice, kind, and a friendly person at all times. April always kept a smile on her face in bad times and also in good times. April has now gone to a better place than where she was which is up in heaven. I know that April had many great things for her life such as college, kids, jobs, and many other things but god saw it fit to call her home. I wish all of you the best and always remember you will always be in my prayers. Sincerely, Lee Ashby###imported-begin###Lee Ashby###imported-end###

“ April!! It seems like you didn't live your life, but we were wrong. GOD saw all of the wonderful things you did and said it was time. Right now god need you more than we do.. He need you to help him fight this war. He needed angels to help to change this world around and in my eyes he has found another recruit for what i call his guardian angels. You will truly be missed, and yes we will still grieve, but it is comforting to know you are looking over us till our time arises. Our loss is God's gain, truly you are an angel...###imported-begin###Mark Barnes###imported-end###

“ I send my deepest sympathy to fsmily, friends and loved ones. It's not easy getting over an un- timely death. It sometimes may seem impossible but the Lord has taken April away from us only to so she can enjoy the pleasures of eternal life unexepectedly. Remember, mourning is only temporary but memories last forever. Sending my deepest regards, Ashley.##imported-begin##Ashley Rlch##imported-end##

“ April, you were a very nice young lady with endless potential. The only words of comfort I can give your family is that your potential was so big that God needed your work to be done right next to him. You, Kris, and Jamaal are preparing heaven for us.
