

Ardella Doris Ellibe

July 24, 1937 - April 24, 2006

ARDELLA D. ELLIBE, daughter of the late Bertha Parker Hooper and Ardell Ellibe, was born on July 24, 1937 in Robeson County, North Carolina. She was the mother of the late Michael Robert Johns Ellibe. She departed this life on April 24, 2006 after a lengthy illness. "Aunt Della", as she was known, received her education from Carver High School in Baltimore, Maryland and from the Baltimore City Hospital Nursing Education Program after being introduced to the nursing field while serving in the U.S. Navy. She was employed by the State of Maryland at several state hospitals during the course of her thirty year career. In 1996, she retired from Clifton T. Perkins Hospital, located in Jessup, Maryland. Aunt Della knew the Lord and leaves to mourn: her beloved sister and brother-in-law, Brenda and Clay Templin; her niece and nephew, Armon and Michele Harris; her great-nephew, Justus David Edwin Harris, of whom she was extremely proud; and a host of other relatives and friends.

“ *To the family of Ardella, my deepest condolences. May you cherish her memory. The Bible has words of comfort. At 1 Corinthians 15:26 states, "As he last enemy, death is to be brought to nothing." God has promised to do away with death and the pain that it causes. May these words be of comfort to the family.##imported-begin##Sean##imported-end##*

“ My condolences on the loss of your love one. The process of dying was not Almighty God Jehovah purpose for us. That is why at Isaiah 25:8 Almighty God promised that He will swallow up death forever. Next, at Acts 24:15 Almighty God promised a resurrection that will take place. May these scriptures give you a measure of comfort with the hope and promise of our beloved dead ones returning to life again.##imported-begin##V Adams##imported-end##
