“ *Our Family is thinning out now...lowly but surely...nearly all the older one are gone home and the younger one are going to...I remember you as a little girl with such a big smile...always so happy with much to say...I haven't kept in touch with the family much in the past...but Sharon keeps me updated...Barbra I am so sorry for your lost...but keep God close to your heart and know that he will see you through...my sincere thoughts and prayers are with you at this time and always...*

“ *I can't comprehend just how sad you must feel
For the loss of someone you love.
This sorrowful time must still feel unreal
And you're looking for strength from above.*

*I hope, from my heart, that your pain will decrease,
That your spirit will gain strength again,
And I pray that your faith will create inner peace
And that God will send blessings--Amen.*

*Till then, if you need me to lighten your load,
I'm waiting to come to your aid.
Just call on me, and I'll walk down that road,
Until the dark times start to fade.*

Deep condolences, Myra Scott Morrison and Family
