“ Greeting Family and Friends of Arnetta Robinson,

The Department of Gynecology and Obstetrics at Johns Hopkins Health System extend our deepest sympathies to you and your family. May the soul of your mother/family member/friend be at peace with our Heavenly Father. (we were informed yesterday of the tragic news).

I had the pleasure of working with Arnetta for approximately three years as her Operations Manager, we would eat lunch together at times, laugh (very loud) together, share family stories with each other (oh my, how Arnetta would stand tall and proud when speaking of her two sons), I literally could not keep Arnetta out of my office (laughing). Arnetta and I would talk for hours after work. We graduated from the same alma mater both obtaining our Master's Degree in Business.

Arnetta would address me “Ms. Darlene”, here is the funny part, Arnetta is older than me.....I would say “Why do you call me Ms. Darlene?”, Arnetta replied “Out of respect.”

Arnetta's work ethics and personality was admired by all who had the pleasure to come in contact with her physically or over the phone. Arnetta received so many compliments from patients, providers, and faculty for demonstrating quality, kindness, consideration, empathy, and compassion. Arnetta was a true friend, and true friends are like diamonds, precious, and rare. Arnetta's light will forever shine in The Department of Gynecology and Obstetrics. God bless.

“ Hi Mom,

It's been 3 weeks since you left this physical world but I know you're still watching over us. Not a single day has gone by without me thinking of you. I find myself trying to search through my earliest memories of you and the one I come to most is of us at Mama's house on Barclay St. I had to be maybe 3 or 4 at the time. It was time for bed and I can remember not wanting to go to sleep.

This particular day, you had a surprise waiting for me on the bed. It was a yellow and white stuffed dog with big glassy eyes and long floppy yellow and white ears. I can remember running and jumping on the bed to grab him and you told me to give him a name. After some pondering, I named him fluffy! After I climbed under the covers you tucked me in. I can still remember holding that stuffed animal pretty much all night at least until I fell asleep.

I miss you so much. I hope you're resting now. I love you.

“ *Timing, Mark and the Entire Family of Arnetta Robinson, ❤️ to learn of the passing of my coworker and dear friend. Arnetta was a gift to all who knew her. Arnetta was my Lead Technician at the Accounts Management Call Center in Baltimore, Maryland. She was both knowledgeable and resourceful. She also assisted me in mounting Special Emphasis displays enabling her to use her artistic flair! I have precious memories of her delight as my group received compliments for displays.*

I also treasure the time Arnetta spent with my grandson (who was a toddler) when he visited me at the Call Center in the 90s! Arnetta's beautiful dimpled smile is another precious memory. She was indeed a rainbow in the clouds of others.

May the Comforter and precious memories of Arnetta sustain you during this difficult season.

“ Timino & Mark,

My dear cousin Arnetta will be truly missed because she was part of my everyday life. When we did not see each other, we texted each other. After her mom Betty Jean passed, my first cousin, I took Arnetta under my wing as her big cousin and she then said I was like a mom to her, because I look like her mom. We spent a lot of time together as children, because her grandmother Aunt Anna B, raised her and her siblings. I'll have to get pictures together from my mother so you can see the fun times we had together, especially trips that her grandmother took us on. We had a love chain that never broke regardless of any differences we may have had. We grew up in church together singing and a lot of times singing background for Aunt Anna B while she lead songs. She loved my parents, her aunt Rose and uncle Calvin, who she visited quite often and went to church with them. She supported my mother yard sales to help her make a little change. Arnetta spent a lot of time with me the past 3 weeks celebrating my son Justice prom and attended his graduation. I love seeing her enjoy herself with me and my children just like I enjoyed Timino and Mark special moments. Again me, her aunt niicy and I like old time sing in harmony old gospel songs while I was preparing brunch for the family. Oh what a glorious time we had! I will cherish the memories from childhood to the presence of my cousin, until I see her again in glory! I will stay close to you two young men and your family, and your aunt Arnita because I need that now to continue to feel that closeness of her.

Love and peace to you both,

Cousin Pat

“ *The first time I met/saw my cousin was at Uncle James funeral. She shared d*

Some memories of family and laughed and smiled so much I was just drawn to her. She complimented me on something and gave me such a hug. I kept in touch with her on FB. Always a positive word and a smile. I'm going to miss that. But I am happy that I did get one of those hugs and I will forever remember that smile. I will pray for peace for those closest to her. I can only imagine the loss. I'm so sorry that you have to endure this sorrow. I love you and will always keep her in my heart.
