“ *Please accept my most sincere condolences for your loss. It's very hard to say goodbye to one we love so very much, and death is such a sad event; especially when one dies so very young as your Arnilo was. I know your pain, because I also lost a son at a young age. What helps my family to cope, and brings joy to our hearts is the wonderful hope of the ressurection. John 5:28,29 tells us; "Donot marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." Imagine the joy of seeing your loved ones come back to life again. May that hope sustain you, and give you comfort in dealing with your pain.###imported-begin###R Johnson###imported-end##*

“ My deepest sympathy during your time of sorrow but knows that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son Jesus Christ have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 What a wonderful prospect for our future and our loved ones who have lost their life to our enemy death.##imported-begin##Carter##imported-end##

“ I send my condolences to the family for your loss. It is hard to lose someone we love. But the Bible gives us a hope. Acts 24:15 says we can have "hope toward God...that there is going to be a resurrection". The earth will be in much better conditions (Rev. 21:4). I hope that you can draw comfort from the Bible.##imported-begin##K Adams##imported-end##
