“ You have my sympathy on the death of your loved one. Death at present is a very sad part of life, which we can't do nothing about. When we lose someone we love, it's something we can never forget. We miss them so very much. What comforts me at such times is to know that it was never God's purpose for us to die, and he purposes to end all sickness, violence, and death very soon according to bible prophecy. 1st Cor.15:26 tells us, "As the last enemy, death will be brought to nothing." Also according to Daniel 12:2 many of those asleep in the ground of dust will wake up." What a joy it will be to see our dead loved ones again. Please be comforted by Jehovah's promises, because just as everything he foretold would happen in the past came true, we can be confident that everything God says will come true. Isaiah 55:11. May you also find comfort in your precious memories.##imported-begin##R

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##
