

## Ashley Newton

June 15, 1994 - March 15, 2020

Ashley Nicole Newton

was born June 15, 1994 in Baltimore, Maryland.

She departed this earthly life on March 15, 2020 at University of Maryland Hospital.

Ashley graduated from Baltimore Talent High School. After high school, she matriculated at Fortis College where she earned certification in Sterile Medical Processing. She became a Sterile Processing Technician at Franklin Square Hospital

and University of Maryland Hospital.

Ashley was a kind, loving, thoughtful, gracious and sociable young lady. She was

beautiful both inside and out, the light of any family gathering or party. Her smile

would illuminate any room she entered.

Ashley had a zest for life. She enjoyed eating out with her family. One might have called her a “foodie”. Vanilla milkshakes were her favorite. Watching Lifetime

Television was also a favorite pastime. She also loved spending “girl time” with

her sister, Arielle, getting pedicures, manicures and going out to eat. Ashley also

enjoyed a good glass of tequila or a glass of fine wine. She was the ideal aunt

and

she loved spending time with her nieces and nephews. She was also known for her expert preparation of macaroni and cheese.

In May of 2019, Ashley met the love of her life, Willie Ruff. Together, they were raising son Kasyn Newton. On March 6, 2020, God blessed the couple with another son, Karter Ruff.

Ashley will also be remembered for her passion for “selfies”. Whether at the dinner table, back yard cookouts, or just out in the community, she took many pictures of herself.

She leaves to mourn: Willie Ruff; sons, Kasyn Newton and Karter Ruff; mother,

Margaret Newton Gray; father, Richard Gray preceded her in death; grandfather,

Alton Newton; grandmother, Christine Newton also preceded her in death; sister and

best friend, Arielle McCray (Ernest); brothers, Keith and Corey Newton; nephews,
