Ruth will cherish those memories all the days of her life for those moments showed all the love that God gave to Audrey. “ I would like to convey my condolences for the loss of your loved one. Sickness and death was never part of Jehovah God's original purpose because time indefinite was put into our hearts (Eccl.3:11). John5:28-29 and Acts24:15 assures us that all those who have fallen asleep in death will live again by means of a resurrection on a paradise earth (Psalm37:11,29). Continue to draw close to God in prayer and he will sustain you during this difficult time (Psalm55:22).##imported-begin##C. Murphy##imported-end##

“ I would like to extend my deepest sympathy to the family and friends of Audrey Lee Holmes. Losing a loved one in death is a painful time. This is a pain that Jehovah God promises will one day no longer exist (Revelation 21:3,4). May you take comfort in knowing that our loving Heavenly Father promises us that soon all those in the memorial tombs will come out to life on a paradise earth by means of a resurrection (John 5:28,29 and Psalms 37:29). As you await the fulfillment of this promise, may you find comfort from "the Father of tender mercies and the God of all comfort who comforts us in all our tribulation" (2 Corinthians 1:3,4).##imported-begin##S. “ I wish to extend my deepest sympathy for the loss of Mrs Audrey. Death really hurts like nothing else and breaks the family circle. We feel so powerless when death occurs, and no one should have to experience such a loss. This was never God's purpose for us, because he desires all of his people to live forever in peaceful and secure surroundings. When we pray the Lord's prayer we pray: "Thy kingdom come, thy will be done on earth, just like it is in heaven. So one day soon God's will will be done on earth, because his kingdom is going to bring about righteous, happy conditions on the earth. Then we will never have to sorrow ever again. Will we see them again? Daniel 12:2 says we will. It promises: "There will be many of those asleep in the ground of dust who will wake up." May the hope of the resurrection be a great source of comfort to you in the days ahead, as well as the memories of happy times shared with Audrey. I invite you to contact me at my e-mail address so that I can further share God's purpose with you.##imported-begin##R Johnson##imported-end##
