“ My sincere condolences to the family and friends of Mrs. Sawyer. I am sorry to learn of your recent loss. It may seem so unfair that death has the power to take away someone we love. The Bible is comforting in this regards. At Acts 24:15, Almighty God promise a "resurrection" into a beautiful "paradise", Luke 23:43. Please be encourage that Almighty God, Jehovah knows our pain and suffering and gives us the hope of the resurrection. Yes, God truly cares about us.##imported-begin##V Adams##imported-end##

“ Death is a harsh and devastating interruption to life a precious gift of God. Yet in most of our lives today we see death as our final eventuality accepted by many. However our heavenly father Jehovah God, the giver of life promises that one day in our near future death will be no more. As Revelations 21:3-4 states “God will wipe every tear from our eyes and death will be no more, neither will mourning nor out cry nor pain be anymore.” How truly happy we all will be not to ever be threaten by death because it is Jehovah God’s promise to us according to Psalms 37:29 for the righteous ones to live forever on earth. Another hopeful awaiting thought in our future is all those who have lost their lives to death or the lost of our love ones, Jehovah God says according to John 5:28,29 all those in the memorial tombs will hear Jesus voice and come out. Yes these ones will live again! We all can hold fast to this because Titus 1:2 states: upon the basis of hope of everlasting life, which God, who cannot lie promised before times long lasting. Such a comforting thought to know our having life forever was always Jehovah God’s promised purpose for us.##imported-begin##B Carter##imported-end##

“ My deepest condolences to the family for your loss. We are all crushed when death takes away our loved ones. We feel so powerless. Jehovah God has the power over life and death, and he has promised to restore life back to those who have died in his memory. John 5:28,29 tells us, "Donot marvel at this , because the hour is coming in which all those in the memorial tombs will hear his voice and come out." Yes, the ressurection is the sure hope by which we will be able to see our loved ones again. May his promises bring you comfort at this time.##imported-begin##R Johnaon##imported-end##

“ To the family and friends: Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ Hello ! Sawter "s ! I send my condolences to the family. Losing a dear love one in death is truly a heart break to all. Our heavenly father knows how you all feel. The bible gives so much comfort when death hits us ,1Cor1: 3, tell us that. Death is so unnatural for all of us since we were created to live forever. Just think the time is coming very soon when all mankind will never die again, that is that greatest news to be told. I hope the memories of Ms.Audrey stay in your hearts til the time when no one will ever be sick , grow old, have illnesses, unforeseen things to happen , pain, sorrow, and last of all die any more. I hope this these thoughts have been of some comfort to you. Sincerely, Lillian Crosby.##imported-begin##lillian ctrosby##imported-end##
