“ My dear Audrey, you were the sweetest and most genuine human being i have ever met in this world! I've known you and your family since i was a teenager living on 41st street and you were living on Cator Ave. Your home was always a welcoming place to be. We would hang out there and you would feed us some of your fine cooking. You were a mother to a lot of your childrens friends. I remember when you moved to Old York Rd you were still our mom, always looking out for us. I will always keep your memory alive, you are greatly loved!💕 Your friend, Debra Lee-Kane

“ To the family and friends of Audrey M. Wall, Loosing a family member and friend is such a difficult situation to cope with. During such a loss the Bible gives us hope and practical advice to endure at John 11:25 which says, Jesus said to her: "I am the resurrection and the life. He that exercises faith in me even though he dies, will come to life"###imported-begin##Dene###imported-end##

“ I am a sister by faith and Audrey very well knew the love of Jehovah and Jesus. She remains in God's memory for the time when she will return to her loved ones and her christian family. How blessed she is to have known our God Jehovah and the promise of everlasting life that was made possibly by jesus ransom sacrifice. So she knew her rest would be brief and be amongst the living in our near future.##imported-begin##Carter##imported-end##
