“ Audrey, It was a pleasure knowing you and being your neighbor. I can still see you in your doorway, outside by your house, or on Eva's steps talking to all who walked by. You had a gentle kindness about you and I am sure that is why it is so hard for us to say good bye. Our neighborhood will be a little lonelier without you. God bless you. “ It is truly unfortunate that we have to experience the sorrow associated with the loss of one we love. This is a sorrow that God promises will one day be no more (Rev 21:3,4). As you await the fulfillment of this promise may you continue to find comfort from your precious memories.###imported-begin###Gwen Winston###imported-end##
