“ *Ung.gusta I woke up this morning with u on my mind.I miss u soooooooo.much.you were always the big mama of the family.you kept the family together.I thank GOD.for having an, aunt like you in my life.You have so many things in life.Like how to be a good wife.daughter and mother.everything ive learned I got it from you.you were truly an inspiration in my life.when things go wrong or im in deep thinking.I always say what would ung.gusta do in a situation like this.yes aunt Augusta amiya and khloe have alot of your personalities in them from you.I must say since you've been gone.things have been going downhill for all of us.I know u are up above smiling down on us.watching over all of us.God has sent another angel to join you.uncle carl.he passed 3 days before his birthday.I know and believe deep down in my heart u are at peace right now.U are greatly missed ung.gusta.but will never never ever be forgotten.

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
