“ *To the family of Mr. Venable, You have my most heartfelt sympathy on the death of your loved one. This is especially hard for the mother who loses her child. I know, because I lost my son too. The pain cuts so deeply, because they are a part of us.. I pray that you receive the comfort that you need at this time, and in the years ahead. Also be comforted in the hope of the resurrection, because one day we will see our loved ones again. Rev:21,3,4, Isaiah 25:8, Daniel 12:3, and John 5:28,29. May you find strength in these scriptures.##imported-begin##R Johnaonr##imported-end##*

“ To the family of Gussie. I would like to send my love to the whole family as well as to myself. I don't know the family, but I'am a part of your family. I have a child by Gussie also, I met him when he was released, and statring working at McDonalds. We started talking then I was pregnant with his child. I don't want to hurt anyone, I just needed someone from his family to contact me, and talk to me. Gussie never denied his child from me, he bought everything she needed when she was born. He even hoped I had the baby on his birthday, but she was late. November 16, 2004 was the day Nadja was born and Gussie was by my side the whole way. I just hope someone from the family contacts me so I can show you the part of the family your missing. Please give me a chance. My number is (443)744-7334Thank you###imported-begin###Suncerae Cannady (SUNNY)###imported-end###

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ To Ms Annie Mae and Family: I just want to let you know that all of you are in our prayers. Some people just say that they know how you feel, but since lmy mother died, I can say for a fact that I know exactly how you feel. Just know that we love you and if there is anything you need from any of us, just walk to 2135 and let either my father or Brian know and it will be done. Gussie was like a little brother to me because he spent so much time with Brian. It's just like we lost a brother too. Just put your trust in GOD and he will give you the strength to endure this time of sorrow. And remember that Gussie is watching over you and waiting to see you again. Again, we love you all and don't hesitate to call on us for whatever you may need. Love Deborah and Family.###imported-begin###Deborah Dupree###imported-end##

“ To the family of Mr. Venable. I would like to extend my deepest sympathy for the loss of your son, father, brother and friend. Though a stranger to your family, I am no stranger to the pain and the void death leaves behind. I would like to express my words of comfort through the Holy Scriptures of God's Word. At Isaiah 26:19 it states: "Your dead ones will live. A corpse of mine-they will rise up. Awake and cry out joyfully, you residents in the dust..." Another one is found at John 5:28,28. It says, "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear my voice and come out..." These two scriptures are promises from our Loving Heavenly Father and His son, Jesus, promising a resurrection of those we have lost in death. May these bring you hope and comfort now and in the days ahead. My prayers are with your family.##imported-begin##Denise Dukes##imported-end##

“ I am sorry to learn that you have loss a family member, Augustus to death. This must have been a difficult time for you and your family. I am forwarding scripture that will comfort. Psalm 90:10 says that the usual human life span is 70 to 80 years. That was true when Moses wrote it, but that was not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says..It is reserved for men to die once for all time. This too, was true when it was written. But it was not the case before God passed judgment on sinful Adam.##imported-begin##JT Nunnally##imported-end##

“ To the family and friends: Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. God’s original purpose was not for us to ever die. The thought of death is heartwrenching to us and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to death. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Just imagine our loved one coming back to life in the most beautiful earthly paradise you could ever imagine! Wouldn’t it be wonderful to greet them, tears of joy running down your faces and knowing that you will never lose them in death again. Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at (Rev. 21: 3-5) of a new earth where there will be no more death. These promises have brought comfort to millions. I wish the same for you.##imported-begin##Senita Swann##imported-end##
