

Baby Kyziir Ali Kyng

December 21, 2023 - December 21, 2023

Kyziir Ali Kyng was born into the arms of an angel on December 21, 2023 at 12:28 a.m. As first born to Uzshae Butler and Kyron Curry weighing 4 lbs 6 ounces and 16 inches in length.

Sadden Kyziir wasn't given a chance to blossom into this world where lots of love was awaiting to embrace him. So many had plans to spoil and support him through his childhood to adulthood.

We learned from your mothers' womb you were full of energy and enjoyed staying up late nights. From a mother and a father that met through the sport of boxing. He was bound to be the next Ali.

You will forever be the Greatest.

God creating a life gives energy that never dies and Kyziir will forever remains with those he leaves to mourn mother, Uzshae Butler; father, Kyron Curry; grandmother Denise Preddy; grandfather, Quantae Butler; great-grandmother, Veronica Boice; Bernadette Whiting and Capcine Cunningham; great-grandfather, Anthony Butler; uncle, Jerome D. Gross III; aunt Maziah Butler; and a list of many more uncles, aunt's, and a hand full of cousins.

We'll miss you Kyziir Ali King.

“ Uzshae

I hope this note finds you surrounded by love and support during this incredibly difficult time. I wanted to reach out and express my deepest sympathies for the loss of your precious baby during childbirth.

Words cannot adequately convey the depth of sorrow I feel for you and your family. The loss of a child is a heart-wrenching tragedy that no parent should ever have to endure. I can only imagine the pain and grief that you are experiencing, and my heart goes out to you.

Although I was unable to find the courage to speak at the funeral, please know that my silence does not reflect a lack of care or concern. I simply struggled to find the right words to express the magnitude of my sympathy and the depth of my sorrow for your loss.

Your baby's life, however brief, was a precious gift that touched the lives of those around them. Their memory will forever be cherished, and their spirit will continue to live on in the hearts of all who knew them, even if only for a fleeting moment.

During this time of mourning, please remember to be gentle with yourselves. Allow yourselves the space to grieve, to feel the pain, and to heal at your own pace. Lean on your loved ones for support, as they are here to provide comfort and strength during this unimaginable journey.

If there is anything I can do to support you, please do not hesitate to reach out. Whether it is a listening ear, a shoulder to lean on, or a helping hand, I am here for you. Your grief is valid, and your emotions are important.

May you find solace in the memories you shared with your baby and in the love that surrounds you. I am sending you all my love,

thoughts, and prayers during this incredibly challenging time.

With heartfelt sympathy,

Melissa
