“ I wish to extend my heartfelt condolences to you for the loss of Talayah. 1 Corinthians 15:26 reveals that our "enemy death" will be destroyed. Also, there is hope of our dead loved ones returning to life. Acts 24:15 declares "there is going to be a resurrection". May you receive much comfort and strength from these wonderful promises found in the Bible.##imported-begin##Sharon Hill##imported-end##

“ We just want to say Thank You, for all the support and love we received from everyone so far. As we grieve for the lost of our daughter. We will remember the 3 H's. HURT!! HEALING!! & HOLY!! GOD, took Talayah for a reason, and there is no questioning the man above. We understand WHY!! It just hurt of the facts. We appreciate those who have supported us through this tragic, and know that we LOVE each and everyone as GOD loves us. We will share our Serenity Prayer. May this prayer help those like it's helping us. God grant me the serenity to accept the things I cannot change; courage to change the things I can; and wisdom to know the difference. Living one day at a time; Enjoying one moment at a time; Accepting hardships as the pathway to peace; Taking, as He did, this sinful world as it is, not as I would have it; Trusting that He will make all things right if I surrender to His Will; That I may be reasonably happy in this life and supremely happy with Him Forever in the next. Amen.##imported-begin##Deano and Brittany (The Parents of Talayah)##imported-end##

“ My precious Talayah I can't believe it is 1 year. I thought you would be here for your 1st year birthday. This was a hard thing to go through the lost of a baby and grandchild. I couldn't believe a baby so tiny would move around like you did.You were so pretty looked like a light skinned Brittany your mother. But even though you are not here with us you live through your sister Tamia. I know your little soul is in heaven but part of you still live in Tamia.I wondered how you would have been if you were here with us would you be a good baby or would you be mouthy like Tamia. I wish you were here with us getting spoiled.I wished I could have seen you at 1 years old, when I saw you in the hospital nobody couldn't tell me you wouldn't be here with us celebrating you 1st birthday. God needed another angel he got a perfect angel.I love you I miss you, I will never forget my precious grandbaby Talayah.##imported-begin##Grandma Cheryl##imported-end##

“ Brittany it have been 1 year that our precious Talayah have gone.I watch you go though the lost of Talayah you try to stay so busy so you can take your mind off of her. I am glad you didn't give up or get lost in your grief. I know you miss your baby and I know you think we have forgotten her. I say dumb things like we don't know if she would have medical problems if she would have lived. I know she would have been just perfectly fine. I know I shouldn't say that to you but this is my way to help me get through grieving fo her. I am sorry for that. I knew the way she was moving and turning her head she would have been fine. You are a good mother and I know you would have been a good mother to Talayah, just like you are to Tamia. Keep on doing what you are doing and know Talayah is always in our hearts. I am just glad you didn't break even though you wanted to.I love you and know Talayah lives in your mouthy and stubborn daughter name Tamia.keep moving don't sit still .Stay as strong as you can. I Love you! Mommy###imported-begin###Mommy###imported-end###
