“ *It's been a year grandmother I know u in heaven. U taught me so much I will always love u because you was my angle my supporter u listened to me u cared and never gave up. Love u.*

Reverend Stokes - March 01, 2020 at 10:37 PM

“ *There have been many special events at my home. There were retirement and graduation parties. And there were the fish fries and First Cousin lunches. It was Ms Chavis and her delicious food that made these occasions so wonderful But it was Christmas when her star really shone. Folks would say, "I hope Ms Chavis made this." My reply would always be, "Of course. I would not have anybody else's food grace my table." My family cannot imagine Christmas without her. I cannot imagine life without her. She was special. She was my friend. I will miss her very much. /Wilbur Hicks*

*I love you grandma Barbara You helped me through the tough times you taught me how to take initiative you taught me how to cook how to clean how to respect people and to care and listen to people. The thing that will always stick to me is when on New Year's Day you sat at the table with me my mother and my Aunt my grandma Nikki grandpa Clifton etc. you said after it was over go over their and hug your mother. It won't hurt to do it. Ever since that day I think about you when I go to sleep when I'm at school. Every where. Especially The places me and you went together over the summer. Love yuh grandma Barbara
