“ *I am very sorry to learn of the death of Barbara. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalms 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrew 9:27 says...It is reserved toe men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinfu Adam.##imported-begin##Jt Nunnally##imported-end##*

“ *I would like to offer my condolences to the family for the loss of your loved one. The pain and grief from death can be unbearable. The Bible offers comfort for us and hope for those we lose in death. John 11:38-44 gives the account of Jesus resurrecting his friend Lazarus from death. Jesus, like us, grieved over the loss of his friend. However, Jesus brought his friend back to life. This account shows that the resurrection hope is a reality and you will have the opportunity to see your loved one again.##imported-begin##Yolanda F.##imported-end##*

“ May I offer my sincere condolences? I know it has been a while since your loved one died, but the pain does never completely go away; it just eases a little bit. Does God desire that we suffer through such grief? Not when we read the scripture at 1st John 4,8 which says simply; "God is love" A loving God would never desire sickness and death for his children. So we die because of the rebellion of Adam and Eve. That too will change, because 1st Cor 15:22 says, "For just as in Adam all are dying, so also in the Christ all will be made alive. Through the promised resurrection, many in the memorial tombs will hear Jesus's voice and come out; those who did good things to a resurrection of life." May you be strengthened by this hope, and may your precious memories be a source of comfort to you in the days ahead.##imported-begin##R Johnson##imported-end##
