“ *Our thoughts and prayers extend to all of you who are faced with the displeasure of losing a loved one to our worst enemy called Death, in these critical situations it's normal to feel helpless not knowing where to turn. However, our heavenly creator has assured us in HEB: 6/11 that it is impossible for him to ever forget us, He also stated in John:5/28/29 that all those who have fallen asleep will here is voice , So GOD is given us all his promise of hope of us being together once again. Meanwhile we can give our thanks to the funeral directors: for their perfectional assistance and their heartfelt concern toward the unfortunate friends and families; THANKS.*
