

## Barbara S. Green

August 6, 1939 - May 2, 2017

Barbara Green, departed this life after a series of recent illnesses on May 2, 2017. She was born Barbara Hardy and raised by Louis and mother, Ethel Everett.

She was a very classy lady that was always well dressed for every occasion. She was affectionately called “Aunt Barbara”, “Bobbie” and “Charlie” by friends and family. She was a kind woman to all and although she bore no children of her own, she was very protective in nature. She gave non-family members a second thought before encountering anyone of them. Needless to say, Barbara loved her family.

Barbara was educated in the Baltimore City school system and later studied to be an X-ray technician at the Community College of Baltimore.

She worked at Spring Grove Hospital and for the City of Baltimore as an Administrative Assistant for many years, eventually retiring.

An avid sports fan, Barbara loved her Baltimore Colts, Orioles and Ravens. She could roller skate with the best and was often seen at The Coliseum on Monroe Street. She lived for Fridays and spent a great deal of her weekends and holidays just enjoying her family and friends at gatherings near and far. Additionally, she loved to travel everywhere and lived for a few years in

Madagascar.

Barbara's two older sisters, Geraldine Hill and Shirley Wilmore, preceded her to heaven years ago.

he left behind a basketball team of nephews, 2 nieces and many friends that will miss her. She enjoyed life to the fullest and loved everyone.

Aunt Barbara, Bobbie or Charlie, whatever name you knew her as, touched the lives of many people, including family members, friends and working colleagues with her enthusiasm and energy.

Hers was a life well lived.
