“ *I am just learning today of Ms. Barbara's passing. I am saddened and shocked. She was a wonderful person and very much admired. She was truly loved by everyone, even my pet Buffy use to go by everyday to see her when I had her. She would call me to tell me Buffy was trying to get in her house:~) What beautiful memories.*

*Today I light this candle for you Ms. Barbara with Love,*

“ I was sadden to hear about you loss. I have sat in the same place that you are sitting now, and words can not take away the feeling that you are feeling now. The Bible tells us to be absent from the body is to be present with God. I pray that you dear love home is sitting with the Heavenly father and he is Son right now. I will be praying for the family and just know that you will be thought about each and everyday. Be blessed and continue to do the things that Ms Barbara taught you while she was walking on this side of earth. Be blessed and continue to pray because we all have to take this same journey one day.

“ *My heartfelt sympathy in the passing of Mrs. Barbara. It was such an honor to have met such a sweet spirited woman. She openly welcomed me into her home and I enjoyed just sitting and conversating with her for hours. She was a true example of one that displayed an enormous amount of love for all 4 of her grandchildren and wanted the very best for each of them. May the cherished memories of having someone as dear and precious as her for many, many years linger in your hearts forever. To the entire family, Take comfort in God's love during these difficult days. Continue to hold onto his unchanging hand, allow his shoulder to be the one you will lean on, his hands to be there to wipe your tears, and his arms there for you to hold onto. Please know that I am especially remembering each of you in my prayers during your time of bereavement.*
