“ Dear Baria, lover of the Lord as a child. She was he mothers mini me, in every way imaginable. They were very soft spoken, kind, gentle, and loved God with all their heart and soul. I'll cherish the memories of a woman who loved her family and thought it not robbery to pray with you and for you at any time. She often called me to say hi and say a prayer with me just because at a moment in time I ran across her mind. Baria was a beautiful human being who often thought of others before herself. She will be missed but knowing she is with the saints and praising God makes my heart happy. The Mahoney family have my deepest condolences and most sincere regret for their loss. May God continue to bless you richly.
