

Beatrice Geraldine "Gert" Jones

August 13, 1939 - July 15, 2022

Legacy of Love

The harvest does not speak of an untimely cutting down of the grain; rather it speaks of it being in its season. Therefore, the life lived by our departed love one should not be viewed as untimely, but in it's season, the season of God's choosing. Embrace the appreciation for the one that gave life, gave provision, good or bad; realizing it all is granted possible through the blessings of Jesus Christ.

Beatrice Geraldine Jones was born on August 13, 1939 in Charles City County, Virginia to Harvey Barbour and Rebecca Barbour. She was preceded in death by her husband, Malvin Jones, Sr.; parents, Rebecca and Harvey Barbour; sisters, Francine Miles and Jean Meachum.

Beatrice received her formal education in the Ruthville High School school system in Charles City, Virginia. She accepted Christ as her Savior at the age of 10 years old and was united with Parrish Hill Baptist Church.

Beatrice Geraldine Barbour was united in holy matrimony to Malvin Scott Jones, Sr. on June 20, 1958. Their union was blessed with three children.

She was employed by Ruthville High School as a secretary for 27 dedicated years.

In her leisure, she enjoyed talking on the phone (her ministry).

She leaves to cherish her memory to her family, Malvin, Jr. (Ginger), Anthony (Karen), Darrin Jones; five grandchildren; 11 great grandchildren, and a host of other relatives and friends.

“ Exceptional. That's the word that comes to mind when I think of our dear and beloved friend Gert Jones. I can truly say that I never saw a frown on her face or never an unkind word about anyone. Her desire to help whenever she could, paved the life she lived. Even in the midst of her struggles, she shined brighter than the brightest star. Rest easy my buddy. My your soul forever sleep in the arms of of Savior.

“ There is no amount of room on this page that would hold the thoughts that I have right now. No poem that I could write and no story that I could tell that could fully explain what I am feeling right now. Gert was truly a definition of a remarkable person and a rare gem. Although her vision may have been impaired , she possessed a true gift from God and could see life way better than the average person. She took the challenges that life brought and always tried to turn them into something positive. She has been a key part of our family since I can remember, I will never forget the late night talks the early morning advice, the tears and the laughs that kept us in " stiches " and the love that she shared with all of us. I will always remember the last piece of the advice that she gave me...."Do the best that you can do, and that's all that you can do!. The rest will take care of itself" God Bless youLove you!
