

Beatrice May Johnson

November 7, 1924 - October 19, 2003

Beatrice May Johnson, daughter of the late Lillie May Spain and Richard Rich, was born on November 7, 1924 in Baltimore, Maryland. She departed this life on October 19, 2003 after a lengthy illness. She received her education at Paul Lawrence Dunbar High School. She was a loving and devoted homemaker. She enjoyed traveling, jazz music, quality time with her grandchildren, family and friends. She is survived by: two sons, James A. Johnson Jr. of Richmond, Virginia and Gregory Johnson of Baltimore, Maryland; grandchildren, Patricia, Tracy, Malcolm, Julia, Janie, Lisa, Meya, and Glen; eighteen great-grandchildren; daughters-in-law, Mary M. Johnson and Myong O. Johnson; and a host of other relatives and friends. Our Grandmother was needed in Heaven. The Lord has called upon our grandmother because He had a special place like no other, right in the center of the clouds so she can shout out loud to her children and her grandchildren, "Let me show you how to make it right, take my hand. I opened up the path of safeness for you all. Whenever you need me just call, I'll always be there. Just because I'm gone don't mean I can't be here. Just whisper your words they won't go unheard." The Lord has always got something for someone to do. So when He chooses, that has to be the most special blessing of all. Because you got that most important call. All it is now is laughter, love and joy and everlasting happiness. You got that special ride to forever. Put your feet firmly on the ground to say I finally got to walk on my favorite day, into the arms of the Man that is always been there for me. I'm just so lucky because I get to see the Heavenly Gates open up for

me.---Julia Johnson
