“ *To the family. I would like to extend my deepest condolences at your time of mournig. May you take comfort in the beautiful promise recorded at John the 5th chapter, verses 28 and 29. It tells us that "the hour is coming in which ALL those in the memorial tombs will hear his (Jesus Christ) voice and come out." So according to God's Word there will be a future resurrection of all who have fallen asleep in death. How wonderful a prospect that is that held out for us to look forward to.##imported-begin##Sausha S.##imported-end##*

“ I am sorry to learn about the death of Beatrice. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalms 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says...It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##

“ To the family I offer my deep sympathy. It's so hard to deal with the death of a loved one. I know how it feels, because I too have lost many loved ones. What has encouraged me over the years is studying the bible, because I've found that it is the only true source we can go to to find out why people get sick and die, and the comfort of knowing that our heavnely father has a purpose to end all death, and bring the dead back to life. Isaiah 25,8 for instance tells us that the Sovereign Lord Jehovah will one day swallow up death forever and certainly wipe the tears from all faces. I hope that you too can recieve much comfort from the scriptures, because they contain the sayiings of everlasting life.##imported-begin##rita johnson##imported-end##
