“ *My condolences are with you all, for your loss, during this difficult
time may you find comfort in knowing that Jehovah the God of all
tender mercies hates death. He views death as an enemy of

“ Good morning. I am deeply sorry for your loss. Things may be hard for your family right now but God has given us a hope that things will get better. The scripture is Revelation 21:4 and it says "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." There will be a time when death and pain will be done away with and everyone will be able to live happily.

“ *My sincere condolences to your family. Death of a loved one is never easy to deal with and our heavenly Father knows this very well. That is why he made this promise in his word the Holy Bible that very soon death will be swallowed up so that we will not experience that pain anymore. This is found your in Bible at Isaiah 25:8. His wonderful son, Jesus Christ not only promised that there will be a resurrection of those that died; (John 5:28, 29) but he also demonstrated it when he resurrected his dear friend Lazarus from death; (John Chapter 11).*

I hope that during this difficult time these and other delightful promises from our heavenly Father bring some comfort to your family.
