“ Although I knew Benny a short time. I am sure of three things: He loved shoes, his little brother and making people laugh. He has a spirit that goes beyond being on earth. Now you have a personal Angel watching you all the time. When you start smiling for no reason, that's Benny. When unexplained silly things occur, that's Benny. When you realize that you are stronger than you thought it possible to make it through this, that's the Lord letting you know that Benny is doing fine.##imported-begin##Zamalia Bennett##imported-end##

“ Dear Colvin Family I met Benny one hot summer day while we were both employed at UMMS-WPCC. That one coversation with Benny told me about his demeanor, characteristic, and of course what he did for a living. Benny turned out to be one of my Greatest and closest friends. It was amazing to see how many people lives he touched and still had time to make me feel special too! I wish the time I had with him was longer but our times together were great enough to last me a lifetime. I will keep you in my prayers. God Bless You. “ To Ms. Sheila, Mr. Colvin, Brian, Tanya and the Colvin Family, you are in my prayers and thoughts always. Ben (a.k.a Bookie), was my best friend. I think back to the day of our accident and wish with all that I have that I could change it and keep him here. He was a bright and important person in my life. We were always there for one another and I can't imagine the days that are to come without him here. I will miss our rides to and from work together and just the convos we had about whatever.....just living life. I know you're checking in on us all and will always be with everyone. I have 8 whole years of memories to last me a lifetime. They were good ones and there's not a moment that goes by that I don't think about you or what you would be saying right about now. You have a lot of people that love you and you touched so many lives, it's amazing. So, I will miss and love you very much.....always. You are definitely one in a million. I'll always be "looking out for my Bookie".....Remember that? \*smile\* Love ya! Tash##imported-begin##Tashena Rich##imported-end##

“ *Mr. Ben, Ms. Sheila and Brian...thank you so much for not giving up the search for me. It still doesn't seem real to me. Even though we weren't together any more as a couple we were still best friends as we always promised each other we would stay. We were soul mates. Benny taught me so many things about myself and he, in more ways than I can possibly tell you, had so much to do with the person I am today. He had such a huge impact on my life... I'm not sure what I'm gonna do without him. He was always able to make me laugh no matter what mood I was in. Benny will always be in my memories...(we have sooo many of them). He was such a big part of my family too. And I will always love him... and I will never forget him..(I could never forget my first true LOVE. I love you all so much. Thank you for always accepting me and making me feel so much apart of your family. Please be strong, and you will all be in my prayers! With love always, Tiara###imported-begin##Tiara Bonano###imported-end##*
