“ To the family of Mr. Welborn, I offer my sincere sympathy. It truly is unfortunate that we experience the sorrow associated with the loss of one we love. Rest assured that God purposed for us to live a long eternal life and his purpose has not changed. He offers the resurrection hope (Acts 24:15) for those who have fallen asleep in death and the hope of life everlasting (Rev 21:3,4) for those who exercise faith (John 3:16). May this provide you with comfort now and in the days to come. Please contact me if you would like to discuss this wonderful promise.##imported-begin##Gwen Winston##imported-end##

“ Please accept my sincere condolences. Sadly, all families worldwide experience the terrible pain of losing a loved one. This was never God's purpose for families, because from the beginning he created mankind to live in peaceful, secure, and happy conditions. One day Jehovah's wonderful purpose will come to pass, because 2nd Peter 3:13 promises: "But there are new heavens and a new earth that we are awaiting according to his promise, and in these righteousness is to dwell. Jehovah's wonderful kingdom that we pray for in the Lord's prayer will soon come to pass, and it will undo all the pain and sorrow that people have experienced since the dawn of time. Soon there will be no more sickness, violence, or death, and the dead will be ressurected back to life. John 5,28,29, Rev 21:3-5, Acts 24:15. Even the memory of this sorrow we all have gone through will be erased from our hearts, because Isaiah 65:17 says, "For here I am creating new heavens and a new earth, and the former things will not be called to mind, neither will they come up into the heart." May you find much comfort from the bible as we await the joyous ressurection.##imported-begin##R Johnson##imported-end##

“ Please accept my deepest sympathy, for I too know the pain of losing a loved one. I am sure that this thought from God's word the Bible will bring you as much comfort as it has me. At John chapter 5 verses 28,29 Jesus himself said that all those in the memorial tombs would, "hear his voice and come out." Yes the Christ promises that we can see our dead loved ones again by means of the resurrection. I believe him and I am sure that you do too! Again, please accept my deepest sympathy, and feel free to contact me at the above address.##imported-begin##Kevin Jackson##imported-end##

“ I am very sorry to learn of the death of Benjamin. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrew 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##
