

## Bernadette Philomena Crockett

February 26, 1951 - May 15, 2021

Bernadette Philomena Ford (Crockett), affectionately known as “Cookie”, daughter of the late John Lee and Mary Agnus Ford, was born on February 26, 1951 at Baltimore City Hospital in Maryland. Lovingly surrounded by her husband, daughters, grandkids & great grandkids, she peacefully ascended from life on May 15, 2021 after living a wonderful 70 years of life.

Cookie was the second oldest of five siblings. As a baby, she was baptized at Saint Peter Claver’s Roman Catholic Church on April 29th, 1951. She was raised in church and received her early education thru the Catholic schooling system. Later she transferred into the Baltimore City school system and graduated from Forest Park High School. Cookie furthered her education at Baltimore City Community College studying Early Childhood Development. She met the love of her life Frankie while in high school and they fell in love and got married and from this union four beautiful daughters were created. Cookie started working as a School Teacher educating preschoolers. She later found her career path working at GBMC educating young mothers from the inner city. She retired from GBMC to work and eventually started doing daycare.

Cookie loved helping and educating kids of all ages and everyone that encountered her loved her. She also enjoyed endless shopping, gardening, reading books, going to church and especially being around family. Cookie

enjoyed spending time with her husband Frankie, especially attending the Summer Soul Jam Concerts together every year. She also loved when he would sing to her and at every event, they would show off their hand dancing skills and capture everyone's attention. Cookie's favorite time of the year was always the holidays, especially Christmas, she would always wait until the coldest day in history to decorate outside. Everyone knew that when Snoop's "Drop It Like It's Hot" came on, she was going to get up and dance as that was one of her favorite songs.

Preceding her death are: one daughter, Renita Crockett; one foster son, Edward Blake; two brothers, James Ford Sr. and John Ford Jr.; and several other family members and friends that are gone, but not forgotten!

Although Cookie will be greatly missed by her family and friends, we thank God for the lives she was able to touch. As a loving wife, mother, grandmother, great grandmother, sister, aunt, cousin and friend, Cookie leaves to treasure her memory: her loving husband, Franklin Crockett; three daughters, Francene, Jessica & Veronica (Peachie Pie); one bonus daughter, Denise; two son in laws, Derek and Charlie; nine grandkids, Da'Nekia, Ra'Shauna, Derek, Ahriyah, LaTanya, MaKayla, Charles, Christian & Lil Charlee; four great grands, Amari, Aubri, Bella and Brooklyn; one baby brother, Bernard Ford; one nephew, James Jr. (Nachelle); five sister in laws, Anita Ford, Sylvia Crockett, Doreatha Reid, JoAnn Whitfield and Naomi Sembly; and a host of other relatives and friends that cherished her dearly.

I just miss calling you and telling you all of my problems and you just so calmly telling me everything will be okay. But will it this time ? I will always have you in my heart I know that much but I need you here with me physically, life just isn't fair. I love you Gammy Gal 🥰

I didn't have anyone to call...I think you are still helping me from above because just so happen I was on the phone with Diddy and he sounded just like you when he heard Bella throwing up. He told me exactly what to do and called back to check up on her. I swear your soul lives on through him because I never expected Diddy to be so concerned like how you was. You know he hate when someone is sick lol swears a week later that they got him sick lol but not this time. I miss you Gami...I just want to see you one last time. You was the only person that was excited to go with me lol now I have to go without you and that sucks so bad! I had a lot of things that you was supposed to do with me or be around for and it's killing me that you aren't here. I've had a good week last week but today I didn't want to wake up. So needless to say I will have a crappy weekend and more than likely won't want to leave the house. I couldn't stop crying 😞 I know you don't want me crying but it's so hard! Life just isn't the same without you MY LIFE isn't the same. I was just thinking like dang who's going to build my strength back up. Who's going to simply pray for me when I'm having a bad day or listen to me when I need to vent about my life. “ *Hey Gami...I miss you so much I can't even put it into words. You really messed me up with this one. You weren't supposed to leave me!!! You saved me 15 years ago and turned around and left me. What am I to do now without you? Who am I going to call and tell the dumb stuff that I did or when I simply need you to pray for me. I'm really lost without you I'm not going to know how to function without you anymore. You are the last thing that I think about when I go to sleep and the first thing on my mind in the morning. I hope you are catching up with my mommy up there in heaven. I don't know who else I'm going to have to turn to. Maybe I'll start confining in Diddy now. My a broke out a couple of days ago and I ran to Diddy crying and he consoled me just how you always did. It's like you was whispering to him to make sure I was okay. He didn't laugh or anything he was really concerned like how you used to be. Gami I'm trying to be strong for Diddy but it's so hard...I don't think I'll ever get over this loss. You were my other mom when I lost my mommy now I lost you too my world is really in shambles. I don't want to keep you up rambling cause I know how you get about your sleep so I'll talk to you tomorrow at 6am lol you know you always got up early and I still don't know why lol well I'll see you tomorrow Gami... keep me strong please. I love you ❤️ 🥺*
