“ To the Family: My Husband and I would like to express our deepest sympathy for your loss. It is so difficult to lose someone we love. What helped me when I lost my dear father and brother was reflecting on God's word. God did not intend for us to deal with the pain of losing our loved ones. Job understood this when he wrote, "For there exists hope for even a tree. If it gets cut down, it will even sprout again. And its own twig will not cease to be." (Job 14:7) If God feels this way about a tree, how much more so does He feel about our loved ones. Therefore, He has made a provision for them. Jesus said at John 5:28, 29 " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out..." During this time, we have the hope of seeing our loved ones again. God's word has brought us comfort during difficult times and we sincerely hope this note will bring a measure of comfort and hope to your family.
