“ From a little girl, my grandmother always made sure I was in the best dresses! She told me how my grandfather and her would fuss about how much money she would spend on clothes for me. Funny that now I work in the building she shopped in for me. My grandmother made the best cornbread and cornbread stuffing and the best soup!! She never let you leave without eating something. She was just the grandmother that everyone wanted. I learned so much from her, but I will never let her memory fade. Love you Momma 🥰

“ A good heart has stopped beating, a good soul ascended to heaven. I had the opportunity to get to know my “Aunt Bernice”, “Aunt Bernie Bern”, over the past two years, as she kept me smiling and laughing with her timely wit. Always dressed and ready to mingle. She loved her family and friends. She will truly be missed. May God give her eternal rest.
