

## Bernice Marie Campbell

August 10, 1923 - October 17, 2007

BERNICE MARIE CAMPBELL, daughter of the late Charles and Florence Williams, was born on August 10, 1923 in Baltimore, Maryland. She departed this life on October 17, 2007 from cancer. Courageously Bernice fought until the end. Bernice earned an Associate of Arts Degree, from the then Community College of Baltimore. Often she took courses at Morgan State University to enhance her career, at New Directions For Women, where she worked for twenty years as a counselor. After retirement she worked for Green Thumb, finding work or job assistance for the elderly. She was a loving member of the St. Matthew's United Church of Christ until her end. Bernice was a humanitarian who loved helping others, family and friends. Always she was guided by her faith in God. Now she leaves to mourn: her daughter, Patricia Toney; son, James Gayles Jr.; five grandchildren and eight great-grandchildren; son-in-law, Jenklin Toney; a loving cousin, Alice Jones; and a host of supporting friends. She will be surely missed. A special thanks given to Regina, Judy, Alexis Allen and Tonya Toney.

“ *I am very sorry to learn about the death of Bernice. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalms 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##*
