“ *Crampy(Scotland Neck, NC) & Lois would like to extend our deepest heart felt sympathy to the family. It's nothing like loosing a love one. You must remember to stay focused on God 1st. This is a road that my dad (Crampy) and I have already traveled when we lost my mom, his wife. I always says that life started after my mom passed. However we must now HOLD on tight to our dad's. We (the children) were really blessed to have the parents that God has blessed us with. So just let Mrs. Bertha have her well deserved rest. Our hearts are truly with her husband and family. Much love!##imported-begin##Lois (Anthony) Johnson Crampy's Daughter##imported-end##*

“ To the family and friends, I offer my condolences. It truly is unfortunate that we experience the sorrow associated with the loss of one we love. May you find comfort and strength from the "God of all comfort" (2 Corinthians 1:3,4) who promises at Isaiah 66:13, "Like a man whom his own mother keeps comforting, so I myself shall keep comforting you people."##imported-begin##Gwen Winston##imported-end##

“ I send my heartfelt condolences to the family at this most difficult time. Losing a loved one in death is so very hard to come to grips with, and it's something that no family should have to go through. Jehovah God never desired this legacy of pain for us, because he desires that all obedient people live forever, some in the heavens; but the majority on a paradise earth that he is creating. Psalm 37:29 lets us know that the righteous themselves will possess the earth, and they will reside forever upon it." Also Isaiah 65:17 says: "For here I am creating new heavens and a new earth, and the former things will not be called to mind, neither will they come up into the heart." NWT BIBLE. Soon the dead will be reunited with us, the living by means of a resurrection, because John 5:28,29 lets us know that the dead will hear the voice of the son of God, Jesus, and they will come back to life. I'm sure you'll agree that that's a wonderful hope to look forward to. Yet God requires something from us. I invite you to contact me on my e-mail so that I can share with you from the bible what God requires from us. May your precious memories of Bertha help you to cope in the days ahead.##imported-begin##R Johnson##imported-end##
