“ *Our thoughts and prayers extend to all of you who are faced with the displeasure of losing a loved one to our worst enemy called Death, in these critical situations it's normal to feel helpless not knowing where to turn. However, our heavenly creator has assured us in HEB: 6/11 that it is impossible for him to ever forget us, He also stated in John:5/28/29 that all those in the memorial tombs will here is voice and come out, So GOD is given us all his promise of hope of us being together once again. Meanwhile we can give our thanks to the funeral directors: for their perfectional assistance and their heartfelt concern toward the unfortunate friends and families; THANKS.*

“ Rest in heavenly peace my Dearest Friend. You were a true warrior and fought a long courageous battle for over 20 years with GRACE! Didn't let nothing stop you from living your life to the fullest. Always dressed to a "T" from top to bottom. Traveling, having fun attending concerts/shows and having the best of everything, but most of all, her resilient faith and trust in God helped her persevered. JOB WELL DONE! I'm going to miss you Lil Momma, but I thank God for our childhood years growing up in Jackson Ward and the friendship we sustained to this day. Life brings us tears, smiles and memories. The tears dry, the smiles fade but the memories last forever.
