“ *The tears that dampen our eyes in time of mourning are tears of homesickness, tears of longing for our loved ones. But it is we who are away from home, not they! Death has been for them a doorway to an eternal home. They are still with us, lovingly and tenderly waiting for the day when we, too, will enter the doorway of our eternal home. It is such a mistake to see death as separation and nothing more. For us who believe, death is a preparation for eternal union with those we love, in peace and in joy.##imported-begin##The March Family and Staff##imported-end##*

“ I would like to send my condolences at a time of much heartache and grief. I pray that the comfort of God will bring the healing to all those affected over this lost. How blessed we all are to know despite the painful effects of death our God Jehovah have promised a relief from our enemy death. Rev. 21:3-4 states death will no longer exist and will no longer cause mourning nor out cry or pain anymore. He say's death will be swallowed up according to Is. 25:8-9. However Jehovah's greatest promise he say's, the dead will live again according to Is. 26:19. That is truly a wonderful hope. Our very loved ones lost to death will live again. Yes their state is temporary like a sleep.###imported-begin##Carter###imported-end##
